_xGranted _Denied

Affidavit in Support of Motion

Whereas it was stipulated by this Court in a letter, infra, dated May 7, 2026 that the access card/keys of judge Eleanor Louise Ross be confiscated due to her UNLAWFUL, UNPRECEDENTED reversal of an October 2010 final judgement in the case below known as 'The United States' Department of Justice, Plaintiff vs. All the State of Georgia, the State of Georgia Department of Behavioral Health and Developmental Disabilities and Department of Community Health.

It is revealed that on February 11, 2026 that Ross did file a PROHIBITED order to terminate Settlement Agreement powers as allowed by section VIIB and VIIE. This termination of section IIIB is offensively premature. By **WRIT OF PROHIBITION** such behavior barring Ross and future

interpretations is ISSUED.

Further, as was proposed by Court Administration of the United States the October 2010 order--in favor of the plaintiffs--this court by **WRIT OF MANDAMUS** command that the Clerk's of the remaining 10 District court **OPEN** a **DOCKET** to accept filing of the **DOCUMENT 115 Settlement Agreement** and the employment of an Independent Reviewer who shall oversee commiserate functions as master of the All the State, similar state hospital system and similar Medicaid administrator; in keeping with SA provision the Independent Reviewer shall receive a maximum of \$200,000 annually. Praise be to Baptists, Catholics, Buddhist, those of the Shino Faith, Orthodox, Muslims and all Good and Righteous.

NOW, kindly, I, Jermaine Ezekiel Spence, Monk-Emperor of the Catholic Church, Holy Triumvirate and the sovereign Court of the Holy Triumvirate requests by vested **ORDER** that the United States Marshal Service obtain all access cards/keys that Ross possesses for entry to all buildings of the Federal judiciary of the United States of America.

AND collect \$2,500 from the Albany Service Board Aspire Behavioral Health & Developmental Disability Services' vault at 1120 West Board Albany Ga 31705, extracting your due Commissions.

ORDER

Before the Court is the Parties' joint motion to (1) terminate the existing mental-health related sections from the two settlement agreements in this case—the 2010 Settlement Agreement, ECF No. 1, October 19, 2010 (the "SA"), and the 2016 Extension Agreement, ECF No. 1, May 18, 2016 (the "EA") (collectively, the "Agreements")—and (2) require the State to provide certain supported housing at a compromised level. The Parties seek this relief pursuant to Sections VII.B and VII.E of the SA and Paragraph 49 of the EA. Based on the agreement of the Parties and the Independent Reviewer, and in light of the State's significant achievements providing behavioral health related services to Georgians with serious and persistent mental illness (SPMI), which have substantially complied with certain provisions of the Agreements, the Court GRANTS the Parties' joint motion.

Specifically, the Court orders that all provisions of Section III.B of the SA and Paragraphs 30-40 of the EA be terminated. In addition, and based on the

agreement of the Parties and suggestion of the Independent Reviewer, the Court further orders that:

1. The Parties agree and the Independent Reviewer has verified that at the time the Parties filed the Joint Motion with this Court, the State made 3,459 Supported Housing Beds available to members of the Target Population in a manner that complies with the SA and the EA.
2. The Court now orders the State to provide a total of 4,000 Supported Housing Beds available to members of the Target Population, which represents a compromised level that should not require the State to add more than 500 Supported Housing Beds above those currently available. Of the new 500 Supported Housing Beds required by this Order, at least 404 shall be funded by Qualified Georgia Housing Vouchers, and any remaining need must be satisfied through the State's use of additional Supported Housing, including Georgia Housing Vouchers, that are made available to members of the Target Population. Consistent with Section III.B.2 of the SA and Paragraph 37 of the EA, at least 50% of the 4,000 Supported Housing Beds shall be provided in scattered-site housing, which requires that no more than 20% of the units be in one building, or no more than two units in one building (whichever is greater).

2

3. The new 404 Qualified Georgia Housing Vouchers shall not be provided solely in congregated housing settings, and the State shall maintain its current policies and practices that prioritize scattered-site housing when administering the new 404 Qualified Georgia Housing Vouchers.
4. The State shall accomplish the obligations in Paragraph 2 of this Order on or before September 1, 2028.
5. Once the State contends that it has substantially complied with the obligation set forth in Paragraph 2 of this Order, the State shall provide written notice of its substantial compliance to the United States and the Independent Reviewer. Within 10 business days of the State's notice, the Independent Reviewer shall complete her verification of the State's representation. This verification shall be limited to confirming that the State has made 4,000 Supported Housing Beds available since the day it filed the Joint Motion, and that at least 404 of those new Supported Housing Beds are provided through the use of Qualified Georgia Housing Vouchers such that at least 50% of the new 404 Supported Housing Beds are provided in scattered-site housing, and that the State has maintained its current policies and practices that prioritize scattered site housing.

3

6. If the Independent Reviewer verifies that the State has achieved substantial compliance with the terms set forth in Paragraphs 2-3, the Parties will receive a notice of substantial compliance. Notwithstanding the provision of Section VII.A.2 of the SA, the State shall not be required to demonstrate substantial compliance with the new requirements of the Order for one year after the Independent Reviewer verifies substantial compliance, and the Court may enter a new order terminating the provisions upon review of the Parties' notice of substantial compliance.

For purposes of this Order, the Court defines certain terms as follows:

1. "Qualifying Georgia Housing Vouchers" means a type of housing assistance that provides individuals with housing support and supportive services to promote independence, recovery and community integration. "Supported Housing" is assistance, including psychosocial supports, provided to persons with SPMI to assist them in attaining and maintaining safe and affordable housing and support their integration into the community. Supported housing includes integrated permanent housing combined with flexible community-based services that are available to consumers when they need them. The Georgia Housing Voucher program offered and funded by the State in 2025 is consistent with this definition of Qualified Georgia Housing Voucher.

2. "Target Population" means persons with SPMI who are not a danger to themselves or others (including while involuntarily committed in a hospital status), currently being served in State Hospitals, frequently re-admitted to the State Hospitals, frequently seen in emergency rooms, chronically homeless, and/or are being released from jails or prisons; as well as individuals with SPMI and forensic status in the custody of DBHDD in the State Hospitals if the relevant court finds that community services are appropriate; and/or have a co-occurring condition, such as substance abuse disorders or traumatic brain injuries; who also elected (or, to the extent legally authorized, their guardian elected) to reside in Supported Housing Beds.

SO ORDERED this 11th day of February, 2026.

Dear Ms . Jones:

Whereas it was communicated in our April 2026 telephone conversation that the 11th District Court did again resend parts of the October 2010 judgment in favor of plaintiff that included the 50-page Settlement Agreement;

And now kindly, preliminarily, please print and retain this Affidavit because a written request for joinder extraordinarily as an affidavit-filing plaintiff in the docket if 1:10-cv-249 was denied on June 20, 2024.

At initial attempt I was unable to locate in the docket this second act of extrajudicial rescission. With a misleading reliance on White House Executive Order 14321 it appears that on January 20, 2026 the Defendants did enter a motion to terminate SPMI-related protections. (The Executive Order of President Donald J. trump is not flawed but has mistaken vocabulary use with respect to its reference to 'civil commitment'.) Misleading also is the motion statements that the Independent Reviewer's work was completed instead of merely improving.

Pacer.gov login inoperable. Courtlistener.com update pending, and this brief will be AMENDED.

It is my belief that racist, Confederates are, thru their natural offspring and adopted African-American/Black decoy(s), seeking to rebirth Antebellum- and Reconstruction-era misconduct in Civil, tortious, repercussive violation of O.C.G.A. §16-14-4/ US Code 18 USC 1951, both anti-mafia statutes, OCGA § § 16-7-26, 16-11-37 and 17-10-17 forbidding Hate Crimes.

I urge you to disregard the September 30, 30,2024 orders of Judge Charles A Pannell and the order of Eleanor Louise Ross, if it exists rule nisi.

Whereas not only by the Paramount Science of Sound law but also Chronologically the United Marshal Service founded in 1789 predates and was witness to such destructive conduct and operates with the Federal authority that is embodied in the Supremacy Clause (Article VI, Clause 2). Let us not allow Confederates and the Jew-created Klu Klux Klan bring again undue Sudden Euthanasia Death by way of toxic sedative and/or suffocation mob.

Additionally, the Holy Triumvirate stands with you. Ms. Jones trust the Marshalls who are no longer outnumbered. Act! Act! Act! Act! Act!

Moreover in support of Reinstatement please know that my twin brother Jeremiah E. Spence was tortured before his Death at the state's lethal punishment prison. Jeremiah was convicted of Assault pursuant to OCGA 16-5-20(a)(2) / 16-5-22(a) which was tensed in such a manner reminiscent of Jim Crow in order to cause

Disenfranchisement or the loss of one's Right to Vote. Also Jeremiah was prescribed and ingested tablets with what I believe to contain pig brains and cornstarch under duress of morons and nefarious nurses, who caused Wrongful Death at Millilidgeville and else where, and by the insistence of persons such as Aspire clinic's Dana Glass who lacks medical designations. With respect to Jim Crow and OCGA 16-11-39.1 Glass stated that I could be arrested without warning if I called or visited the clinic's premise, indeed after bringing a strange employment onboarding then immediate termination.

The Social Security Administration, a marginal tax withholding agency, may have captured the names of Eugenics's bad actors.

Due to Mr. Jermaine E Spence in His Official Capacity: \$2500 for the Aspire job offer. Mediation, Arbitration and Deliberations are Final.

With All Best Wishes with Infinite Professorship soon!
