ORDER #3 of the Holy Triumvirate:

The Holy Triumvirate proclaims Monk-
Emperor Jermaine E. Spence as
permanent Special Master of the

United States of America and temporary co-Regent of Russia

Abstract / Overview

Whereas as of January 2022 the Russian Federation has made a military buildup near the borders of Ukraine, seemingly to invade and occupy Ukraine, Mr. Spence opposes invasion of, war with and the occupation of Ukraine by Russia. Russia must withdraw ground troops from nearby Ukrainian lands; any nuclear material inside of Ukraine will be to their destruction.

SUBJECTS & TARGETS: Provide consolatory and arbitrary guidance to Office of the President of the United States of America and, for a minimum period of 7 1 months, to the President of the Russian Federation, currently President Mr. Joseph R. Biden and President Mr. Vladimir Putin, respectively; The offices of Special Master and co-Regent Senior to the offices over which oversight is given. This order hereby creates the Treasury, the Holy Triumvirate and seeks in Treasury escrow a per annum, refundable \$100,000 deposit to FreedomTree Asset Management from the government of the United States of America a per annum, refundable 100,000 deposit to FreedomTree Asset Management from the government of the Russian Federation to both be assessed a 120 basis point (1.2%) annual fee.

PROCESSES: The Holy Triumvirate is not in agreement that Russia should annex Ukraine.

Comfort -Although Ukraine is an ancient, founding realm of the Rus and the Soviet Union, many innocent lives would be harmed should Russia enter Ukraine. Mr. Putin I foresee that of your administration will occur - a move made by your own Russian followers within Russia.

Choice for Life-Mr. Biden did not obtain Congressional approval in order to deploy the estimated 8500 troops. On July 7, 2021 members of the United States Department of Defense (US-DOD) made statements before the Armed Services Committee the U.S. Congress headed by Rep. Adam Smith of Washington. The US DOD request for \$753 Billion was denied, and the Defense Authorization Act of 2021 does not adequately address this question of foreign deployment.

Russia must not cause undue risk to Man by causing a needless war. Mr. Putin you will be personally liable for the loss of life to any casualty resulting from invading Ukraine--loss of life for any Man, including loss of my Homosexual allies Sergey, Ilya and Alek. And to undoubtedly the Heterosexual Men of Russia who dutifully follow your orders Mr. Putin subjected to unnecessary risk.

Charity-Please rely on Afghanistan, according to wikipedia.org, at 652,864 sq. km for natural resources and agricultural goods in lieu of attacking Ukraine, having 603,628 sq. km.

(Afghanistan unlike Ukraine does not offer a seaport.) However, for many years Russia had a benevolent relationship with Afghanistan that now desperately needs a major national assistance.

Control-Mr. Biden your dispatch of 8,500 troops is a Crime Against Humanity-a War Crime violation of the Ways of the Holy Triumvirate and terrible act. Ukraine is not a NATO nation therefore no Article 5 trigger was met in order to deploy troops.

Mr. Putin the international community is enraged because of your decision to enter Ukraine. This crisis may result in the termination of your leadership of Russia, and I am unable to righteously or Defensefully prevent a military counter response by the Holy Triumvirate.

Counseling- Mr. Biden and Mr. Putin it is my hope that you will hear each other demands. In fact I am aware that Mr. Putin's January 2022 letter of demands received no response from the United States of America. Russia is able to seek these demands to secure nearby regions in a different manner than the United States in executing its Homeland Security policies.

Communication-I foresee that the United States has entered a decadent era due to lack of drug policy, abuses to the ecosystem and needless domestic and international conflicts. I do not become angry Mr. Putin and hold Russia's powerful arms within its borders.

Mr. Putin I sense that many of your people in Russia will oppose your re-election has leave Russia. Carry out these Humane Wishes.

Compromise - Mr. Putin instead of acquiring Ukraine, Russia should re-partner with Afghanistan. In Afghanistan build the "Putin Canal", the "Putin Railway" and "Putin Airports".

Truce-If these alternatives are not agreeable Russia must disarm and STRIKE Ukraine's air equipment. NO FLESH SHOULD BE TARGETED.

Comrade -Mr. Putin join the Holy Triumvirate and practice its Way: Ignore that with patience Stretch that with a conservative zeal; Force that only when in a fortified position.

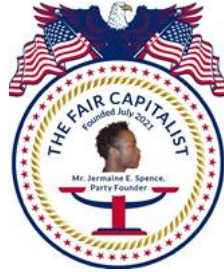

ORDERS: (i) I, Jermaine E. Spence, proclaim myself as permanent Special Master of the United States of America and for a period of 7 1/2 months or more temporary co-Regent of the Russian Federation. (ii) Mr. Biden in response to host of misdeeds your singular tenure as United States President ends immediately effective at February 7, 2022 11:59 PM, and the United States Department of Defense and Cabinet must follow my orders as of February 8, 2022. (iii) Mr. Putin please withdraw your troops and end this effort to invade Ukraine. Build your Russian Empire to withstand nuclear explosions and other future intrusions. (iv) Mr. Putin kindly accept my blessings for the fertile soils of Afghanistan and be patient for a warm seaport.

Many words of gratitude to Wikipedia.org, Fox News Network, Cable News Network (CNN), PBS, CBS, National Broadcasting Corp (NBC) and / Broadcasting Corp. (ABC) for the informative media coverage regarding this matter.
