AND NOW

ORDER 3.1 of 3 of the Holy Triumvirate

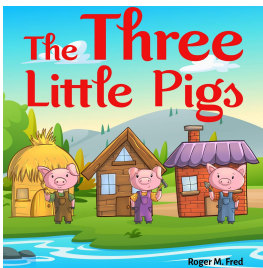

The Holy Triumvirate seeks, with respect to the Russia and the acquisition of Ukraine , assistance from Papa Maury, the People’s Republic of China and the Republic of India

Whereas as of February 22, 2022 the Russian Federation has made air strikes against Ukraine. Czar *apparent* Putin and Grand Duke *apparent* Zelenskyy I urge you to correspond to His Holiness Pope Francis I in order to restore Russian Royalty. The clone Rasputin molester and the Jewish plan for embarrassment and destruction of Russia and Russian Royalty shall be Defeated in this year of Our Lord Jesus Christ. And Mister Putin, your ground troops must protect Russian cities and their citizenry, protecting roads, readily rebuilding bridges and providing protections to the industries of farms, manufacturing and technology and distribute aliment and clothing rations;

Know that I, Jermaine E. Spence, stand with the Million Year Papa Maury and use of the Homosexual's Arsenal and The Device in order to assist Mister Putin and Russia to responded to hostile actions should (1) Ukraine's Zelenskyy, (2) North Atlantic Treaty Organization (NATO) nations and their executive leaders and/or (3) the United State's Joseph R. Biden dispatch troops to approach or enter Ukrainian or Russian lands.

You enemies must return to your homes, return to your homes, return to your homes or the Homosexual's Arsenal and The Device shall defend against enslavement, rape and mayhem.

SUBJECTS & TARGETS: Russia and Mister Putin and China and Mister Xi Jinping and India and Mister Kovind you must protect Christian interests for the United States of America and NATO can not continue to dole weaponry to impoverished and uncivilized foreign nations whose close distance to Russia, to the Buddhist Chinese Motherland,

to the Christian, Muslim and Hindu Holy Lands of Vatican, Israel, India, to Greece and to the United States of America and Africa.

For the Treasury of the Holy Triumvirate Mr. Spence seeks from the People's Republic of China Mister Jinping a lump sum \$631,788.00 元 (offshore) refundable deposit to be assessed a yearly 120 basis point (1.2 %) fee by FreedomTree Asset Management.

PROCESSES : I, Jermaine E. Spence, Monk-Emperor of the Holy Triumvirate invite India to join the armed Holy Triumvirate, and I request the assistance of the China such that no handsome Russian lips, acting as grounded military, go without reinforcement from Chinese flying vessels; India shall serve external to the Rus Motherland but within Ukriane. China shall serve with Russiaans deployed inside and outside of Russian borders. Mister Putin accept air defenses from China and India for any opposing and advancing forces.

Mister Putin ask that NATO and the United States SURRENDER !

Mister Putin say: “ Surrender !”

Mister Putin and Ruler of Greece Zeus say: “Surrender !”

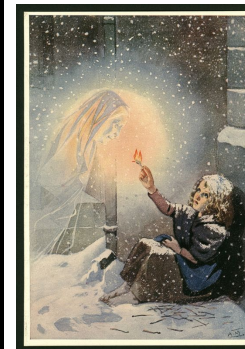

NATO's nation presidents must dismantles forces . Zeus of Greece act with intelligent defenses against the flesh of these footmen as a last resort! May their presidents be arrested and suffer trial and criminal forfeiture of their property - house , land and non-exempt wealth. NEVER SHOULD WE PASS WEAPONRY AND CURRENCY TO A FOREIGN STATE !

I, Jermaine E. Spence, offer a solemn wish that the Catholic Church bestow upon Mister Putin and Mister Zelenskyy Royal styles of the Heterosexual church-a church that founded and civilized Russia and Ukriane.

All Hail Czar Vladimir Putin of Russia ! All Hail Grand Duke of Ukraine of the
Soviet Union
AND

I, Jermaine E. Spence, hereby request \$100,000 or
631,788.00 元 (offshore) from China

PO BOX 829 Atlanta, Georgia 30301
Telephone / Voicemail +1 912 675 3817

Comfort - I take faithful comfort in this new allegiance. May Russia, China and India crush those whose racist and condescending motivations are attempting to belittle the certainty of history, Russia and the Holy Triumvirate. Ukraine must rejoin the Russian Federation and United Soviet Socialist Republics. No further aid packages should be transmitted to Ukraine.

Choice for Life-My many letters for a \$4,000 grant request to the American government did not receive a response. This Anglo-Tone Biden does not intend to provide funding to my American business pursuits, although it was the Central

Intelligence Agency who on December 24, 2007 deactivated three bank - linked debit cards. I have informed various government agencies of the beating I suffered on December 25, 2010. And again on February 19, 2019 a Jewish Devil attempted to explode a bomb and end my life.

Great Provider Greece, Great Protector China must not allow Mr. Biden to bring a rebirth of Nazi - inspired denials of Federal services to the Beautiful Brunette, Brown or to me, a Black African - American, a citizen of this republic of the United States of America. Biden's unreasonable Executive Orders placing sanctions on Russia and against Mister Putin were not based upon legislative action of the Untied States Congress. Executive Orders act as Notices and Interpretive Enforcement of Federal Code.

At this time Russia must choose to re-take Ukraine, The Bread Basket, because Russia is positioned, with millions of loyal Homosexual and Heterosexual sentinels who witnessed the decade of 1990 A.D. Russian inflation, famine and baby orphans.

Charity -Please protect the FreedomTree Master Plan and the The humorous "Huff Nosesus Proclamation: because Biden's hetero hatred will again cause my Homosexual Life to enter a marriage to despair and failure. Russia and China should not be sanctioned. All Ukraine denominated holdings shall be converted to the ₴ (Рубль / Ruble)for both Russia and China had

intended to fund The FreedomTree Financial Group when the U.S. federal government has refused to fund Initial Public Offerings or secondary market transactions.

Control- The Million year Papa Maury please dispatch air troops to Delaware and to Stolenberg of NATO. Mister Jens Stolenberg do not enter Russia or Ukraine!

(Click to vist [youtube.com](https://www.youtube.com))

Counseling- I see no risks to my life or to that of any triumvir. Mister Putin: No Man who is Homosexual or Heterosexual shall suffer a mutinous mistake or insubordinate stray into friendly fire or collateral damage.

Communication- Providing weaponry and economic aid to the Ukraine or Israel or any nation is hereby prohibited by the Spence Doctrine. Furthermore Biden, who chose not to respond to the January 2022 written requests of Mister Putin, portrays the United States and NATO as bigoted, typically hetero, hostile and mute losers. We must protect all Greek, Egyptian and Chocolate Africans; all Chinese of theAsian Motherland and India; all Vatican, Pope and Pontiffs and the future of the Papacy, Homosexuality, Virginity and Marriage...sleep in heavenly Peace.

No THIRD INTERNATIONAL CONFLICT shall occur.

Truce - If these alternatives are not agreeable Russia must disarm Ukraine alone and STRIKE Ukraine's air force equipment. NO CIVILIAN FLESH SHOULD BE TARGETED.

Comrade -Mr. Putin and Mr. Kovind join the Holy Triumvirate and practice its Way: Ignore that with patience; Stretch that with a conservative zeal; Force that only when in a fortified position.

ORDERS:

I, Jermaine Ezekiel. Spence, (i) hereby requests that the People's Republic of China and the Republic of India assist the Russian Federation and the constituted USSR to regain the state of Ukraine. (ii) Moreover I request that in order to prevent prolonged nuclear conflict I call for the Million year Papa Maury to monitor NATO headquarters in Brussels, Belgium and to monitor in the State of Delaware Mr. Joseph Robinette Biden, Jr. (iii) All nuclear nations and those possessing long range aircraft shall have their executive officers under order of the Holy Triumvirate (iv) the United States must not build, deploy / operate Space Force.

ORDERS Addendum-

Mr. Jermaine E. Spence,
B.A./B.S., Monk-Emperor
of
The Holy Triumvirate and Catholic
Church
r. March 15, 2019

ORDER #3 of the Holy Triumvirate:

The Holy Triumvirate proclaims Monk-
Emperor Jermaine E. Spence as
permanent Special Master of the

United States of America and temporary co-Regent of Russia

Abstract / Overview

Whereas as of January 2022 the Russian Federation has made a military buildup near the borders of Ukraine, seemingly to invade and occupy Ukraine, Mr. Spence opposes invasion of, war with and the occupation of Ukraine by Russia. Russia must withdraw ground troops from nearby Ukrainian lands; any nuclear material inside of Ukraine will be to their destruction.

SUBJECTS & TARGETS: Provide consolatory and arbitrary guidance to the Office of the President of the United States of America and, for a minimum period of 7 1/2 months, to the President of the Russian Federation, currently President Mr. Joseph R. Biden and President Mr. Valdimir Putin, respectively; The offices of Special Master and co-Regent are Senior to the offices over which oversight is given. This order hereby creates the Treasury of the Holy Triumvirate and seeks in Treasury escrow a per annum, refundable \$100,000 deposit to FreedomTree Asset Management from the government of the United States of America and a per annum, refundable 100,000 deposit to FreedomTree Asset Management from the government of the Russian Federation to both be assessed a 120 basis point (1.2%) annual fee.

PROCESSES : The Holy Triumvirate is not in agreement that Russia should annex Ukraine.

Comfort - Although Ukraine is an ancient, founding realm of the Rus and the Soviet Union too many innocent lives would be harmed should Russia enter Ukraine. Mr. Putin I foresee the end of your administration will occur - a move made by your own Russian followers within Russia.

Choice for Life-Mr. Biden did not obtain Congressional approval in order to deploy the estimated 8500 troops. On July 7, 2021 members of the United States Department of Defense (US-DOD) made statements before the Armed Services Committee the U.S. Congress headed by Rep. Adam Smith of Washington. The US DOD request for \$753 Billion was denied, and the Defense Authorization Act of 2021 does not adequately address this question of foreign troop deployment.

Russia must not cause undue risk to Man by causing a needless war. Mr. Putin you will be held personally liable for the loss of life to any casualty resulting from invading Ukraine--loss of life for any Man, including loss of my Homosexual alliances Sergey, Ilya and Alek. And too undoubtedly the Heterosexual Men of Russia who dutifully follow your orders Mr. Putin are subjected to unnecessary risk.

Charity-Please rely on Afghanistan, according to wikipedia.org, at 652,864 sq. km for natural resources and agricultural goods in lieu of attacking Ukraine, having 603,628 sq. km. (Afghanistan unlike Ukraine does not offer a seaport.) However, for many years Russia has had a benevolent relationship with Afghanistan that now desperately needs a major nation's assistance.

Control-Mr. Biden your dispatch of 8,500 troops is a Crime Against Humanity-a War Crime in violation of the Ways of the Holy Triumvirate and terrible act. Ukraine is not a NATO nation, therefore no Article 5 trigger was met in order to deploy troops.

Mr. Putin the international community is enraged because of your decision to enter Ukraine. This crisis may result in the termination of your leadership of Russia, and I am unable to R ighteously or Defensefully. prevent a military counter response by the Holy Triumvirate.

Counseling- Mr. Biden and Mr. Putin it is my hope that you will hear each other demands. In fact I am aware that Mr. Putin's January 2022 letter of demands received no response from the United States of America. Russia is able to seek these demands to secure nearby regions in no different manner than the United States in executing its Homeland Security polices.

Communication-I foresee that the United States has entered a decadent era due to lackadaisical drug policy, abuses to the ecosystem and needless domestic and international conflicts. Do not become angry Mr. Putin and hold Russia's powerful arms within its borders.

Mr. Putin I sense that many of your people in Russia will oppose your re-election has leader of Russia. Carry out these Humane Wishes.

Compromise - Mr. Putin instead of acquiring Ukraine, Russia should re-partner with Afghanistan. In Afghanistan build the "Putin Canal", the "Putin Railway" and "Putin Airport"

Truce-If these alternatives are not agreeable Russia must disarm and STRIKE Ukraine's airforce equipment. NO FLESH SHOULD BE TARGETED.

Comrade -Mr. Putin join the Holy Triumvirate and practice its Way: Ignore that with patience; Stretch that with a conservative zeal; Force that only when in a fortified position.

ORDERS: (i) I, Jermaine E. Spence, proclaim myself as permanent Special Master of the United States of America and for a period of 7 1/2 months or more temporary co-Regent of the Russian Federation. (ii) Mr. Biden in response to host of misdeeds your singular tenure as United States President ends immediately effective at February 7, 2022 11:59 PM, and the U.S. Department of Defense and Cabinet must follow my orders as of February 8, 2022. (iii) Mr. Putin please withdraw your troops and end this effort to invade Ukraine. Build your Russian Empire to withstand nuclear explosions and other future intrusions. (iv) Mr. Putin kindly accept my blessings for the fertile soils of Afghanistan and be patient for a warm seaport.

Many words of gratitude to Wikipedia.org, Fox News Network, Cable News Network (CNN), PBS, CBS, National Broadcasting Corp (NBC) and American Broadcasting Corp. (ABC) for the informative media coverage regarding this matter.
