June 3, 2026 - 4:50 am / 16:50 hours

Gadyaces S. Serralta, Director United
States Marshal Service

Jermaine E. Spence

Ms. of Accounting &
Financial Management
of
Devry/ Keller Graduate
School of Management

Dear Director Mr. Serralta:

Ms. Elizabeth Jones, Independent Reviewer of all the State of Georgia per case number 1:10-cv-0249 11th District United States Court of the Northern District of Georgia has not responded to this matter. Please obtain and remit \$2,500 from Aspire Community Service Board of Albany, Georgia at 601 11th Avenue Albany, GA 31707. The vault may be located at (Brooks Plaza) 1120 Broad Avenue Albany, GA 31701 thru Ms. Helen Jones hjones@albanycsb.org .

Because of the delay and expense related to this matter kindly also recover an additional \$9,500 for a total of \$12,000. Aspire wastes money on psychotropic medications, and an Accounting should occur to ensure that patients are not starve or deprived.

My wish that no harm to life occurs. However this is not always possible. I have provided immediately here Bible scripture to offer Blessings for this Mission should lethal Executive Defenses of the Holy

Triumvirate be Exacted: Psalms 82 : *Defend the poor...do justice to the afflicted and needy.*

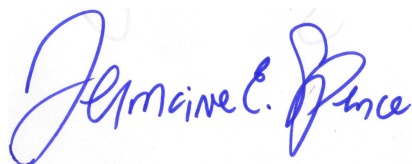

I have reconstituted prior emails to assist this endeavour, and this communication will be printed and mailed to your Washington, DC headquarters on Thursday, June 4.

Ms. Jones is empowered to assist in all matters of the Settlement Agreement because of the immense power the United States Marshal service wields. Join the Holy Triumvirate!

All Independent Reviewers must post his or her contact information in wall bulletins in State-funded buildings throughout this and other states.

Please send your reply to jspence@81blackmen.org . Brethren bring Great Comfort, Choice, Charity, Control, Counseling, Communication, Compromise, Comadry and Truce!

With All Best Wishes with Infinite Professorship Soon!

Dear Ms. Jones!

I see that the Clerk of the 11th District Court NDGA did Stamp and file as document 425 the Judgement and Order of my Court of the Holy Triumvirate. (Hopefully all remaining 6 entities/countries affix their signature to the *Ways* that were transmitted via FedEx.)

Nonetheless please direct the United States Marshal Service to obtain from Aspire my Lost Wages derived from a hire November 2023 then 11th hour hire termination. SEE EML file ATTACHED from April 2025.

Did you know that the newspaper always went missing when television news reported your visits to Georgia?

My brother was murdered, and nothing has gone right in years. This filing is a bright star.

Ms. Jones

Nearly a month has passed since this matter was brought to your attention on April 15. I am deeply saddened that you will not provide the aid that I requested. The GAO we're not helpful in implementing the changes I described below, including a failure to secure the lost wages. (I had asked for the mail thief Dr. Elmer Quintero to be fired and that wooden/metal boxes for outgoing mail be placed in all State and county detention facilities such as DBHDD, jails and prisons.)

Ms. Jones I hope you are not upset because of the the mail follow up telephone calls that I made to judge's chambers while I was at GRH@A. Mary at GAO was supposed to discuss with you the fact that no ex parte communications were made, and I simply wanted to ascertain if my letters were received.

As I stated on a prior occasion I do not believe that the court removed your powers needed to assist the SPMI. Without your help certainly DBHDD, Grady and Viewpoint/Horizon will recommence the unlawful detention and abuse of those Georgians who find themselves in a financially marginalized position.

Please carry out the terminations that I requested in order to safen Georgia.

Also it is my hope that the Plaintiffs in case 1:10-cv-0249 11th District US Court NDGA will file the Extraordinary Motion in response to the court's order Doc. 395 September 30, 2024.

I see on [courtlistener.com](https://www.courtlistener.com) (https://www.courtlistener.com/docket/12837083/united-states-v-the-state-of-georgia/?filed_after=&filed_before=&entry_gte=&entry_lte=&order_by=desc) that the Honorable Judge Charles A Pannell, Jr removed some of your powers prior to his retirement. (I was able to view the docket while residing at DBHDD without accessing Pacer, however I do have Pacer access.)

My belief is that the State of Georgia, DBHDD and the Medicaid administrator the DCH are going to resume abusing Individuals' rights and are going to continue to cause murder. For example it isa common ploy of the state and private providers to attempt to have me apply for SSDI and Medicaid so that they could bill these programs for unnecessary services, although I did not declare a disability and did not present with behavior needed to satisfy OCGA 37-3-1(9.1)(A)(i) to (ii).

It is my hope that the Plaintiffs in this case will file an Extraordinary Motion with reliance on the All Writs statute at 28 U.S.C. § 1651. Albeit late, this motion –if filed – is an appropriate response to Judge Pannell's unfounded and untimely revocation. The Settlement Agreement was signed into force long ago in October 2010; and therefore the Defendants' motion to abate the duties of your office is unprincipled and afoul of the Fair, timely tenets of jurisprudence amongst many reasons.

ORDER

The Court grants the Parties' joint motion to remove from active monitoring certain discrete provisions of the two settlement agreements in this case where the Parties and the Independent Reviewer agree that the State has achieved substantial compliance.

Specifically, the Court directs that the Independent Reviewer need not actively monitor the following provisions in the Settlement Agreement, ECF No.

115, Oct. 29, 2010:

- § III.A.1.b. (Legal Changes on DD State Hospital Admissions);
- § III.A.2.b.i.(A)(B)(C)(D) (Community Waivers and Family Supports);
- § III.A.2.b.i.(E, last two sentences only) (Community Waivers and Family Supports);
- § III.B.2.a.i.(E)(G)(H) (ACT);

- § III.B.2.a.ii.(B)(C) (CST);
- §§ III.B.2.c.i.(C) and III.B.2.c.ii.(C) (Bridge Funding); and
- § III.B.2.d. (Supported Employment).

The Court also directs that the Independent Reviewer need not actively monitor the following provisions in the Extension Agreement, ECF No. 259, May 27, 2016:

- § 6 (Community COMP Waivers);
- § 19 (Community COMP and NOW Waivers); and
- §§ 32 and 33 (Bridge Funding).

The terms “active monitoring” and “actively monitor” mean that the Independent Reviewer need not conduct the factual investigation and verification of data and documentation activities set forth in the Settlement Agreement at § VI.B., at this time. The State shall maintain compliance with these provisions until the case is dismissed.

Are you able to get the \$2,500 in funds from Aspire. I think they owe me at least one month of pay as a penalty for extending then retracting an employment offer.

Thank you.

Hello Jermaine, I hope that you are continuing to do well and I am very glad to hear that you are employed. I hope it is proving to be a beneficial experience for you. I know you have many skills and a commitment to being a productive and valued employee.

I read through the information you sent me via Fedex. I am familiar with much of what happened with Aspire but I was not aware of what you experienced at GRHA.

In light of the state hospital experience, I think it would be important for the Georgia Advocacy Office (GAO) to help you try to resolve this grievance. The Settlement Agreements do not include any responsibility for the treatment at the state hospitals but GAO does have responsibility for advocating on behalf of people confined there.

Would it be acceptable to you if I contacted GAO to discuss this.

Please let me know. With very best regards, Elizabeth

Ms. Elizabeth Jones, Independent Reviewer of All the State of Georgia
State of Georgia, Department of Behavioral Health and Developmental Disabilities & Department of Community Health

Dear Ms. Jones:

I will mail a printed copy of this email via Fedex on Monday, April 14, 2025. I hope that you will take action on this matter as it was extremely vexing. I am employed now, however I am very upset at the treatment occurring in the Winter of 2023 displayed by Aspire, having no written policies I suspect. I spent a good amount of my cash savings preparing for employment with Aspire who refused to give me a photocopy of the employment on boarding contracts. (A Human Resources personnel had followed Ms. Dana Glass's forceful and unreasonable demands to deny me the contracts. However when this Human Resources staffer exited her office, I captured a screenshot of the salary offer with my cellular telephone's camera.) I am asking for just \$2,500 to settle the matter and the employment termination of the staffers whose names appear below.

Futhermore, I would like to lodge a grievance regarding the treatment of my deceased twin brother. Please see below information regarding the spiteful and malicious conduct of members of the Superior Court of Dougherty County and the Office of the District Attorney of Dougherty County.

Background

First, kindly, allow me to provide some background regarding this matter: In the Fall of 2023 I applied for employment with Aspire. I was aware of defacto policy regarding the employment of former patients. However it is my belief that Aspire had no written policies regarding the employment of former patients at the time of my application. I was contacted, and I underwent at least two interviews in which I disclosed that I was a former patient. Indeed I indicated the same in the application.

On or around November 15, 2023 a Human Resources staffer--Ms. Helen Jones--who sounded quite nervous called me to cancel the November 16 start date. She refused to provide a reason behind the cancellation. My father with whom I was residing became irate due to my joblessness that resulted in yet another admission to Aspire and DBHDD from December 2023 to March 2025. As such it is my belief that a year's worth or more of time was wasted. I am seeking \$2,500 from Aspire to settle the matter.

At Aspire I was injected with a powerful poaching tranquilizer without first being evaluated by a doctor who himself was located more than a two hour drive away in Thomasville, Georgia. Ms. Jones it is my belief that Aspire's nurses operated without a Medical Administration Record (MAR), doctor's prescription and other accoutrements of proper medicine.

Ms. Dana Glass and others should suffer employment termination and a permanent State of Georgia rehire ban. Ms. Dana Glass knowingly allows nurses at Aspire to administer injections of a terrible Tranquilizer without a doctor's prescription. Further Glass allows staffers to bring detention at Aspire and transfers to DBHDD without an OCGA 37-3 certificate and probate court appearance. Dana Glass and I believe Chief Operations Officer "Ed" groundlessly terminated my employment offer in November 2023 and contacted a lawyer to issue a Notice of Harassment and threatened to contact law enforcement, leaving me no options for reconciliation.

Attorney Monica Patel never contacted me regarding the employment on boarding, violating an earlier promise to do so.

Advanced Practice Registered Nurse Ferrel Soles made verbal demands that I receive the injections, and he did threaten several nurse's with employment termination if they did not follow his demands. (Per a telephone conversation with the Georgia Composite Board, APRN are allowed to utilize needles to administer drugs but are not allowed to write prescriptions or make verbal demands.) Soles never injected, but he did, according to statements made by several of the nurses, verbally order the injections. I was not a danger to myself or others, however I did refuse the tablet medication that I am assuming prompted the injections.

Nearly twice per day Laura "Lora" Barber, Katrina Rodgers, "Michelle", "Alyssa" and Melissa--on some occasions appearing without a badge or with their last name marked out--did inject my docile person. It is my belief that many staffers of Aspire are from the now defunct DBHDD operations in Thomasville, Rome and AMH Milledgeville.

Once again there was no attending physician in the building. Strangely since being first admitted to Aspire in February 2019 I have learned that there is no physician present in the Albany complex, but one does operate via internet from a Thomasville office.

Ms. Jones the injections are a terrible, irritating substance, and I look forward to your taking action such that no Community Service Boards', state or county hospitals' psychiatric ward be permitted the use of sedatives or tranquilizers. Also kindly implement that all State of Georgia psychiatric wards have a Patient Advocate and signage regarding your offices.

Meanwhile at GRH@A I attempted to write about this matter and send to you relevant attachments. However I became a victim of mail theft when on many occasions Dr. Elmer Quintero stole the mail. I propose that all incoming and outgoing postal mail at all State of Georgia facilities, including jails and prisons, be placed in a wooden or metal locked box.

Quintero also prescribed a near-lethal dosage of Vitamin D and made a false claim that vitamin readings appear in laboratory results. The excess Vitamin D made my heart palpitate and caused insomnia. Quintero secretly petitioned the Probate Court of DeKalb County, unlawfully disclosing a fictitious diagnosis just to bring embarrassment. I did not satisfy the two-part test of Mentally ill AND Violent and/or gravely neglectful as is put forth in OCGA 37-3-1. Therefore there was no legal wherewithal to seek continued hospitalization.

At GRH@A many technicians were permitted to withhold food and snack items if the Individual refused medicine.

Many technicians refused photocopies, but there were improvements at the Treatment Mall who allowed me to compose letters during Treatment Mall hours. There should be 24-hour access to paper and writing materials such as felt tip markers.

Mr. Charles Li Regional Hospital Administrator should be terminated though. I proposed that GRH@A Unit 3/West Lead Technician Corey Adams replace Li whose conduct while I was held at GRH@A was terrifying. Li indeed fibbed greatly, stating that I had attempted to contact him after Quintero stole my letters. Additionally it is my belief that the Nurse Executive at GRH@A allowed nurses without the APRN designation to use needles and force substances into my person and into that of other Individuals in the absence of the Informed Consent form which was once widely used. Please empower the wonderful creature of Africa Ms. Enoghagin Raji to become the new Nurse Executive of GRH@A. Ms. Raji is a Charge Nurse at GRH@A Unit 3/West.

I was informed by an unnamed source that DBHDD was recently \$20 million over budget. Strangely Quintero and many others are prescribing multi-drug cocktail that costs at least \$700 per month for each drug. I was forced to ingest two drugs and undergo one injection per month at an estimated \$30,000 per year. In the past doctors have only prescribed one medication, and it's my belief that many DBHDD physicians are colluding with one another to have the department of DBHDD become insolvent in order to cease and deny the office of the Independent Reviewer.

May the Death of my twin brother be cause for action before the Independent Reviewer.

Judge Willie Lockette of the Superior Court of Dougherty County, District Attorney Greg Edwards, Assist. DA Harold Maroz, Albany Police Department Greg Dorminy and nurse Rovina Billingslea of the Georgia Diagnostic and Classification State Prison should meet employment termination and a permanent State of Georgia rehire ban for conspiring to and killing my brother. (A paternal uncle gave to me the name of Billingslea whose name was probably given to him by a member of the international fraternity the Free Masons.) It is my belief that Edwards, Maroz, Dorminy, Billingslea and two others named as supposed victims in the Indictment are members of a Negro/Spanish street gang whose intentions its is to legalize drug use on the state, county and municipal levels.

Ms. Jones, Lockette refused to allow me on February 16, 2022 to speak on or expound on my OCGA 5-6-35(7) Extraordinary Motion that Jeremiah needed a new trial because of a tainted jury that did not meet the voir dire/jury inspection standards. I propose that all jury trials in Dougherty County be suspended. Jeremiah's case was to be heard before the Dougherty County Mental Health Court--presided by the Honorable Judge Victoria Darrisaw--because the Superior Court had him undergo treatment at Aspire. Lockette was upset with Jeremiah because he was providing legal clerical support to a friend and political candidate in Albany. Jeremiah, holding a master's degree and being a former high school teacher, was not a lawyer but was well-equipped to offer grammatical assistance to the political candidate.

Please know that a March 2025 letter was sent to the Acting U.S. Attorney C. Shanelle Booker of the Middle District of Georgia. Attorney Booker's office transferred the letter to the Federal Bureau of Investigation.

With All Best Wishes
